NEW FUN RIDES!

AEROMAX

FLYING COWS

Making their debut this year are two brand-new family rides from the James H. Drew Exposition Midway: Aeromax and Flying Cows. Designed especially for younger fairgoers, the Aeromax allows little aviators to soar up and down in their own colorful aircraft, while the whimsical Flying Cows gently lift riders into the air for a farm-themed adventure packed with smiles. These additions expand the fair's already impressive midway, one of the largest traveling carnivals in the United States.
